| Item          | Specifications           |  |
|---------------|--------------------------|--|
| Antenna       | Frequency Range          | 698~6000MHz                            |
|               | Polarization             | Linear                                 |
|               | Gain                     | 5dBi max                               |
|               | V.S.W.R                  | <2.0                                   |
|               | Impedance                | 50Ω                                    |
|               | FPC Dimension            | 120*50*0.2mm                           |
| Mechanical    | Cable                    | RF1.37 or others                       |
|               | Connector                | IPEX                                   |
|               | Mounting Method          | Adhesive&Embedded                      |
| Environmental | Operating Temperature    | -40℃~+85℃                              |
|               | Vibration                | 10 to 55Hz with 1.5mm amplitude 2hours |
|               | Environmentally Friendly | ROHS Compliant                         |
