

**Product Name:WiFi Rubber Antenna**

**Product Model:GL-DY4021**

|                          |                   |
|--------------------------|-------------------|
| WiFi Rubber Antenna      |                   |
| GL-DY4021                |                   |
| Electrical Index         |                   |
| Frequency-MHz            | 824-960/1710-1990 |
| Gain-dBi                 | 2.5               |
| VSWR                     | <2.0              |
| Normal Impedance-Ω       | 50                |
| Polarization             | Linear            |
| Mechanical Index         |                   |
| Connector                | SMA male          |
| Antenna Dimension-mm     | Ø10*108.5         |
| Environmentally Friendly | ROHS Compliant    |
| Temperature-℃            | -40~+85           |
| Humidity- %              | 5~95              |
