

# GLOBAL EAST ASIA TECHNOLOGY CO.,LIMITED

**Product name:** Mesh Antenna

**Product model:** GL-DYM300

|                       |                     |                          |
|-----------------------|---------------------|--------------------------|
| Product Name          |                     | 3m mesh antenna          |
| Product Number        |                     | GL-DYM300                |
| Panel(sector divided) |                     | 8                        |
| Aperture Diameter-cm  |                     | 300                      |
| C-band Gain@4GHz      |                     | 40.15                    |
| Ku-band Gain@12.5GHz  |                     | --                       |
| F/D Ratio             |                     | 0.385                    |
| Focus length-cm       |                     | 115.5                    |
| Material              |                     | Aluminium mesh           |
| Finish                |                     | Polyester Powder coating |
| Mounting type         |                     | Pole/Polar mount         |
| Elevation Alignment-° |                     | 0-90                     |
| Azimuth Alignment-°   |                     | 0-360                    |
| Operational winds     | Able to receive     | 25m/sec                  |
|                       | Able to re-set      | 40m/sec                  |
|                       | Not broken&fly away | 60m/sec                  |
| Ambient Temperature℃  |                     | -40--+60                 |
| Relative Humidity     |                     | 0-100%                   |
