

**MIMO 4\*4 Antenna**

**PN: GL603**

| Technical Index     |     |                        |
|---------------------|-----|------------------------|
| Frequency           | MHz | 4x698-960/1710-2700MHz |
| Gain                | dBi | 3/5                    |
| V.S.W.R             |     | ≤2.5                   |
| Polarization        |     | Vertical               |
| Input Impedance     | Ω   | 50                     |
| Mechanical Index    |     |                        |
| Connector type      |     | 4*SMA male             |
| Cable               |     | 4*LMR200               |
| Material            |     | ABS                    |
| Environmental       |     |                        |
| Humidity            |     | 95%-100%RH             |
| Working Temperature |     | -40℃ to+85℃            |
| Mounting way        |     | Screw                  |
| Waterproof          |     | IP67                   |
| Antenna Dimension   |     | Φ140*84.5mm            |
| Weight              |     | 850g                   |
